

2019 Ideas with IMPACT

Disseminator Application Questions

Yes, I am willing to undertake the following activities if I am selected as a Disseminator:

- a. Make an instructional booklet on how to implement your project
- b. Create a visual display to promote your project at the 2019 Idea EXPO
- c. Present one or more workshops on your project at the 2019 Idea EXPO

Project Title (Short, creative and descriptive): _____

What is the source of your idea? *(Please specify if it was originally a Teacher Mini-Grant or Citibank Success Fund Grant or another grant?)*

How has this project benefited your students' academic achievement? (ie. test scores, attendance, attitude changes, student projects, etc.)

What is the estimated cost for a teacher to adapt the project? Please give a low- and high-end estimate.

Low-End Estimate	
High-End Estimate	

Curriculum Idea Profile

The questions below create a consistent format within which you may create a profile of your project. If you are selected, this ONE-page profile will be used as the primary copy in showcasing your idea in next year's Ideas with IMPACT catalog.

Curriculum Area(s): List one or two areas of major focus.

1. _____
2. _____

The Project: Describe your project clearly and concisely.

Start with a one-sentence description of the purpose of the project.

Elaborate with examples of what students do and learn. Provide at least one detailed example of a classroom activity.

Standards: List the Florida Standards your project addresses.

--

The Students:

How Many Students Are Participating in the Project?	Grade Level (or Range)	Age Range of Students	Level of Achievement	How Often Students Meet?

- Can the project can be adapted to other ages or achievement levels? YES or NO
- Can the project can be used with larger or smaller groups? YES or NO

The Staff: Give your teaching experience; mention awards and/or grants.

--

- How long have you used the project? _____
- Do you need assistants (paraprofessionals, volunteers)? _____

Materials:

Describe the setup (space, equipment).

Materials needed (books, supplies). Mention materials you have prepared for teachers interested in adapting your project.

Resources:

Include such resources as field trips, use of school media center, public library, the Internet, contributions and loans from parents or institutions, and guest speakers.

Overall Value:

Write a few sentences that sell your project. Describe the project's best features, innovative aspects and contributions to student achievement (cognitive and affective). Explain why teachers would want to adapt it for their classes.

Include a Photograph of Your Project

Be sure to upload a color photograph suitable for reproduction that projects a visual statement of your project. Try to include a close-up photo of one to three students working on a project and looking at the camera. Ideal photos convey that the project is interesting and fun. The photo will be used in the *Ideas with IMPACT* catalog so it must be a **high resolution image**.

Include a Photo of Yourself

Upload a **high resolution** color photograph of yourself. This image will be featured on your profile page in the *Ideas with IMPACT* catalog.

****To upload photos, simply submit the application, click continue, and when it opens your email, send the photos as attachments. Please label each photo before sending. Thank you!**

**Deadline for proposal and photo submission is
Friday May 10, 2019.**
