

FOR EXCELLENCE IN MIAMI-DADE PUBLIC SCHOOLS

The Education Fund's Honoree Celebration: For the Love of Art

Sponsorship & Marketing Opportunities

The Education Fund's *For the Love of Art* Annual Charity Auction & Honoree Celebration provides much-needed resources and recognition for children in the visual arts in Miami-Dade County Public Schools. This highly successful annual event, which will occur **May 10th from 6 to 10 p.m. at DoubleTree by Hilton Miami Airport Convention Center**, will showcase The Education Fund's current programs in improving education for all children. It will also celebrate public education by honoring successful alumni. And last, but certainly not least, this event will highlight the essential role of the visual art in stimulating creativity and academic success for children by featuring artwork by some of Miami's most talented students and teachers.

The auction is part of The Education Fund's district-wide resource program – **The Ocean Bank Center for Educational Materials and Ocean Bank is the presenting sponsor**. Each year since 1998, approximately 200 artworks plus luxury items are sold at this high-profile silent art auction, which attracts 600+ art collectors and patrons from the community to raise money for arts education and for the resource center which serves 2,000+ classrooms per year.
