Dear Friends,

The Education Fund: Student Power Author Series

Thanks to your support, we have helped contain three sustainable “grow bags” filled with a variety of edible plants that are easy to grow and maintain, especially with the help of our monthly Zoom workshops. Meanwhile, the Education Fund’s Food Forests for Schools provide up to 25 families with home garden kits from the Food Forests. These home kits students are excited to take home harvests again, and to experience fun STEM lessons using our hands-on methodology.

This month we launched Miami Book Fair 2020, and we salute our teachers the county engaged in meaningful discussions with authors regarding their books about the Flint water crisis, Hurricane Maria evacuees, trauma survival, and social unrest.

And, we salute our parents for your belief in our work and your continued financial support. Every dollar received is an investment in our community’s children and their education.

The Education Fund: Student Power Author Series

We salute our students for their commitment to The Education Fund Never Rests, and for truly stepping up to the plate and guiding students through distance learning.

We continue our work to meet critical gaps caused by the Covid-19 pandemic.

The Education Fund: Student Power Author Series

Special Thanks to our Food Forests for Schools’ Sponsors:

The Education Fund: Student Power Author Series

Thank you to our first-5,132+ students who have increased their science & STEM proficiency during 2019-2020.

1,636 Students received Harvests Bags filled with fresh produce from our Food Forests (186,735 harvest bags to date).

87,470 Families received Household Supplies.

$2,316,625 in school & household supplies. That's right! For 4 days, you can help us make a difference for 340,000+ students and their 18,000+ teachers across Miami-Dade County. They need our help! Plus, your tax deductible Give Miami Day gift will be matched dollar-for-dollar by the TriMix Foundation!
